Dance Fit 2021

Thank you for a great start to Dance Fit 2021! Every year, we celebrate fitness while raising money for our kids at Shaffer Elementary. This is an event that the entire PTA looks forward to. We are always looking for ways to make it fun and interactive for every single kid. We want them to have lasting memories of a fun filled day.

This year is no exception! As you may have noticed, we have gone with a neon theme! The kids will be dancing in the gym with all their peers from their grade. We will be learning new dance moves with Just Dance. Each child will get their very own shirt that they will get to decorate. It will be such a fun event for the entire school! The best part: Parents can attend this event this year! So, put on those dancin' shoes and join us!

DANCE FIT

Break out those dancing shoes, because our new indoor fundraiser combines challenging exercises with super-fun dance videos! Led by Booster's enthusiastic team and created in partnership with Just Dance, the legendary dancing game from Ubisoft, this all-inclusive event combines the best of two worlds—dance and fitness.

This year, we are raising money for the Open Court Reading program, Leader in Me program, and paraprofessionals at Shaffer Elementary. Also, 10% of all money raised for each class goes back to their teachers' classroom. Our school-wide goal is to raise \$60,000.

We cannot wait to partner with you to raise money for our school!
