- Volunteers Needed
 - Auction Committee

 - Community Events Committee
 - Nominating Committee
 - We need a nominating committee for the PTA board for next year, they take charge on getting nominations for the board positions and facilitate the voting process
- Update to our camera security system
 - Why does Jeffco District not pay for this?
 - The school does not have any money to pay for this so the PTA would have to fund the new cameras and security system
 - Could use the PTA savings account to cover this as technology improvements
 - Could we create a small committee to work on this with Ben?
 - John Eiler willing to work on this committee and head up the project with Ben
- Outdoor revamp temp space
 - Working with landscape designer on the layout for this
 - Will take most of the money raised from Fun Run
- Rena Magoon Presentation
 - Artist of the graduation mural of Aspen trees on the gym hallway wall
 - It is currently full with names from the previous year 5th grade graduates
 - Plan for this going forward:
 - Create a second mural to continue the legacy
 - Add two more trees to either side of current mural to create a full decade of years of graduates
 - Then go to the other side of the hallway for the new mural
 - Mountain background
 - Include hot air balloons (5 or 6 to start)
 - Then going forward the art teacher and the graduating class get to pick what to add for the new year – art teacher paints/recruits help to paint
 - This makes it more sustainable for years to come
 - PTA will help fund the cost of paint for this
